

Dear CMO Provider,

Do you want a more reliable way to transmit electronic claims to payers? Do you want to be able to save money and time by delivering your claims directly to CMO, CIGNA, United Healthcare, Aetna, Fidelis, Oxford, United Healthcare and other leading payers?

If you do then Post-N-Track is your solution!

This simple, secure, HIPAA compliant exchange will enable you to transmit your claims directly to the payer via the internet.

Some of the many benefits of using Post-N-Track are:

- ✓ Reliable, user-friendly reports which track and log every claim submitted
- ✓ Zero provider transaction fees
- ✓ Zero provider installation fees
- ✓ Easily installed on any PC system

The Post-N-Track team will guide you and your billing staff through the simple step-by-step installation process.

For more information and to start using Post-N-Track today, contact your
CMO Provider Relations Liaison at (914)-377-4477.
